# Leaf & Yard Waste Collection Schedule

**NOTE: If your collection day is on:**  
**Monday you are Area 1;**  
**Tuesday you are Area 2;**  
**Wednesday you are Area 3;**  
**Thursday you are Area 4**

- **AREA 1**
- **AREA 2**
- **AREA 3**
- **AREA 4**

Northumberland County provides monthly pick up of leaf & yard waste at your curb on a routine schedule, from April to Mid-December. Refer to April to December calendar months for the schedule of collection days for each area.

Have brush, leaves and grass clippings at the curb by 7 a.m. on the Monday of your designated **set-out week**, not on your garbage/recycling collection day. It will be collected between Monday and Friday of your designated **set-out week**. See below for details.

## Rules & Tips

Tie brush into bundles no longer than 1m (3 feet), and with no material larger than 5cm (2") diameter.

Each bag/bundle must weigh less than 20 kgs (44 pounds).

Roll tops of bags shut. This sheds the rain and snow and prevents leaves from falling or blowing out.

Only use paper yard waste bags.

No garbage, animal feces, stumps, rocks or soil.

## Recycling Moves to Full Producer Responsibility

At the end of 2025, Northumberland County will no longer provide any services related to curbside recycling. If you have any issues or questions regarding recycling, you will no longer contact us, and instead contact Circular Materials. More details will be announced throughout 2025. Learn more about Full Producer Responsibility at [northumberland.ca/recycling](http://northumberland.ca/recycling)

## Where is it?

The cover photo and each monthly image features part of a building, landmark, or feature throughout Northumberland County.

Guess the location for each month by the end of the current month by visiting [northumberland.ca/whereisit](http://northumberland.ca/whereisit)

Your name will be entered into a draw for one of three \$50 gift cards every month!

Open to Northumberland County residents only.

## Do you own a short-term rental property?

As the owner of this type of property, it is your responsibility to ensure waste set-outs complies with collection requirements. Any waste setout that does not comply may be subjected to fines, as outlined in County of Northumberland By-Law 08-2003.

Collection requirements include, but are not limited to:

- No more than two bags of garbage per week, with a bag tag on each bag
- Recycling must be sorted properly in the blue and grey box(es)
- Waste must be set out the day of collection by 7AM, and NOT on weekends.

## Help waste collectors do their job

Place waste & recycling on the ground, near the curb and not on top of snow banks.

Each driver makes **over 1100 stops** a day and lifting items off snow banks is a safety risk.

## When the temperature drops

below 0°C, bag tags become finicky and less sticky. Affix the tag end-to-end on the neck of the bag.

## Broken Box?

Replace a broken blue or grey box or green bin for no charge at any Community Recycling Centre (CRC), or our main office in Cobourg at 555 Courthouse Rd.

## Mattress recycling

Mattresses are no longer permitted in landfill. Drop off your mattress and boxspring at any CRC. Standard tipping fees apply including a \$20 surcharge per item.

## Where do facial tissues belong?

Facial tissues belong in the green bin or garbage. Not the recycling.

## How to dispose of batteries

Batteries can be dropped off at any CRC free of charge as household hazardous waste. See back of calendar for operating days. Place a small amount of masking tape over the terminals of 9V and button cell batteries.

## National Day for Truth and Reconciliation

The National Day for Truth and Reconciliation takes place each year on September 30. This day honours the lost children and survivors of Canada's Indian Residential School System, along with their families and communities.

This day builds on the Orange Shirt Day movement, which grew out of the story of one survivor, Phyllis Webstad, who had her new orange shirt taken away on her first day at a residential school.

Recognizing these occasions with meaningful discussion and activity is an important part of Canada's ongoing process of reconciliation with Indigenous Peoples.

# Where Do I Take My Household Hazardous Waste (HHW)?

Drop off HHW at these Community Recycling Centres (CRC) during designated days

**Bewdley CRC**  
7650 County Rd. 9, Bewdley,  
Tuesdays, Thursdays and  
Saturdays.

**Brighton CRC**  
1112 County Rd. 26, Brighton  
Mondays, Wednesdays and  
Saturdays.

**Seymour CRC**  
July 11th, 12th  
October 17th, 18th  
No other days.

## HHW Trip Tips

1. Bring needles in a sealed container (i.e. 2 litre pop bottle). **We will not handle loose needles.**
2. If it took a friend to load it, bring a friend to unload it. Staff do not unload vehicles.
3. Bring liquid or powder waste in a sealed, labelled container.
4. We do not empty gasoline, oil, or antifreeze. The container you bring it in will not be returned to you. Oil, gasoline and antifreeze need to be in pails **less than 20L (5 gallons)**. We do not accept drums.
5. Hazardous Waste is only accepted from Northumberland County residents.

## Electronic Waste (E-Waste)

## Curbside Reminders For Household Garbage

### Please Remember:

1. Have your waste to the curb by 7AM on your collection day;
2. Each household is allowed to set out up to **two (2)** standard size opaque garbage bags each week;
3. Place a green bag tag around the neck of each bag, sticking it end to end like a clothespin;
4. Full bag tag must be visible for collection;
5. Each bag can weigh no more than 20 kilograms (44 pounds);
6. Bags placed in garbage cans must be tagged on top of the bag, not on the can or side of bag. Garbage cans/ bins no larger than 80 litres (17 gallons);
7. Half-tags may be used on Kitchen-Catcher style bags, weighing no more than 9 kilograms (20 pounds). A full tag, cut lengthwise must be placed on the side of the bag or around the neck. DO NOT place this bag in your blue or grey box;
8. Label garbage cans 'GARBAGE' to help collectors clearly identify the cans containing garbage from cans containing recyclable material;
9. Place sharp objects (like broken glass) into a box labeled as such, and place beside your garbage bag at the curb for pickup;
10. If you are unsure why your garbage was rejected or was missed by our collectors, contact our customer service representatives at **1-866-293-8379 or email [wastedept@northumberland.ca](mailto:wastedept@northumberland.ca)**

## Curbside Reminders For Recycling

### Please Remember:

1. Have your recycling to the curb by 7AM on your collection day;
2. Cardboard boxes must be flattened and bundled using tape or twine in 76 cm x 76 cm x 25 cm (30" x 30" x 10") dimensions;
3. An unlimited number of properly sorted residential grey and blue boxes can be set out for collection each week;
4. Soft plastic bags **MUST** be bagged in one bag, tied at the top and put into your blue box;
5. Rinse recyclables that contained food or drink;
6. Broken blue and grey boxes can be exchanged for no charge at any Community Recycling Centre;
7. To avoid and reduce wind blown litter, DO NOT overfill your bins. Additional bins are available for \$8.50 ea (subject to change), and can be purchased at any Community Recycling Centre;
8. If you are unsure why your recycling was rejected or was missed by our collectors, contact our customer service representatives at **1-866-293-8379 or email [wastedept@northumberland.ca](mailto:wastedept@northumberland.ca)**

## Curbside Reminders For Green Bin

### Please Remember:

1. Have your Green Bin to the curb by 7AM on your collection day;
2. If using liners, ensure they are 100% compostable and bearing the BPI logo;
3. Additional green bins can be purchased for \$20 (subject to change) at any Community Recycling Centre;
4. If you are unsure why your Green Bin was rejected or was missed by our collectors, contact our customer service representatives at **1-866-293-8379 or email [wastedept@northumberland.ca](mailto:wastedept@northumberland.ca)**
